## OFFICE OF SECURITY BULLETIN (U)

7 September 1979

1. Organization Review Committee

The Director of Security announced that, in accordance with a recommendation by the Organization Review Committee, the Information Review Group has been transferred to the Security Records Division. He also noted that the Information Systems Security Group will be under the DD/PTOS. (C)

2. Senior Intelligence Service Announced

Mr. Gambino, in commenting on the implementation of the Senior Executive Service throughout the Government, noted that the CIA will participate in a more restrictive Senior Intelligence Service. All supergrades within the Intelligence Community will be identified as to their availability to serve in any Intelligence Community senior managerial position. (U)

3. Area Security Officers In Place

In announcing that three Security Officers have assumed their new responsibilities within the Headquarters Operations divisions, C/OPS/PTOS noted that Security components should be aware of their presence and should coordinate any matters pertaining to security with them.

4. Consolidated Fund Campaign Drive Announced

The Director of Security announced the beginning of the annual Consolidated Fund Campaign. He emphasized the real need for contributions to this once-a-year effort and stressed that although the Security goal is modest (\$12,000), past experience has shown there is no guarantee we will meet even this modest goal unless everyone participates.
